

Tuition Assistance

2025-2026

Saint James School welcomes the opportunity to serve bright, hard-working students who desire an education that challenges and prepares them to learn and grow academically, physically, socially, and emotionally. In support of this endeavor, need-based tuition assistance is available for students in Pre-K3 - 12th grade.

Saint James School utilizes Blackbaud Financial Aid Management™ (Blackbaud) to establish a family's ability to pay for educational expenses based on data confidentially submitted by parents. Blackbaud provides no funds to Saint James or to its tuition assistance applicants. Instead, they assist Saint James in making recommendations as to the amount of money a family can contribute toward a child's education.

- Tuition assistance applies to tuition only. Tuition assistance does not cover the costs for enrollment fees, books, uniforms, after school programs, or other school-related expenses.
- All students who receive tuition assistance must maintain a 73 or above average in core academic subjects with no failing grades in any class.
- To be considered for tuition assistance:
 - A new application must be submitted each school year, **and** current families must be in good standing with their tuition balance.
 - If a child's parents are divorced, both custodial and non-custodial parents (if a parent or both parents are remarried) must submit **all** tuition assistance documents. There will be no exceptions to this requirement. Please note: Information received from one parent is never shared with the other parent.
- Final tuition assistance decisions are made based on the Blackbaud recommendation, the criteria for tuition assistance as determined by the Saint James Board of Trustees, the approved budget for tuition assistance, and the family's financial need.

If you have questions, please contact the Business Office at 334.273.3010 or the Admissions Office at 334.273.3021.
